*Silver Sneakers Splash – Members whom are eligible for Silver Sneakers participate in these classes free of charge.

Please note: Riding the Waves will not begin until October 11, 2022.
 Cardio Splash will not begin until October 12, 2022.

Class Descriptions listed on the back.

Class Descriptions

Cardio Core *High Intensity, Deep Water*

- This program is designed to help maintain personal fitness, tone muscles, and build cardiovascular endurance. Conducted in the deep end of the pool, it is an excellent class for a harder workout with less strain on bones/joints. The class uses floatation belts for support while in the pool.

Cardio Splash *Moderate Intensity, Shallow Water*

- This program is designed to improve overall fitness, including cardio moves, strength training, and flexibility. Suitable for all levels of experience. Come join the fun, and be ready to work out!

High Tide *Moderate Intensity, Shallow Water*

- This class is designed to increase your heart rate, while stimulating and increasing muscle tone and encouraging a healthy lifestyle. This class is appropriate for those just beginning to the intermediate and advanced participants. Grab your towel, and be ready to work and have fun!

Making Waves *Moderate Intensity, Shallow Water*

- A low to moderate intensity shallow water class designed to increase your heart rate, while stimulating and increasing muscle tone and encouraging a healthy lifestyle. This class is appropriate for those just beginning to the intermediate and advanced participants.

Otter Xtreme *High Intensity, Deep Water*

- This program is designed to help maintain personal fitness, tone muscles, and build cardiovascular endurance. Conducted in the deep end of the pool, it is an excellent class for a harder workout with less strain on bones/joints. The class uses floatation belts for support while in the pool.

Riding the Waves *Low Intensity, Deep Water*

- Looking to increase your flexibility and improve your circulation but can't take stress on your joints? We will do a lot of water "bicycling" plus other water aerobics exercises designed to improve your range of motion and overall fitness. The class uses floatation belts plus other buoyancy devices for support while in the pool. Appropriate for all levels of fitness.

Silver Sneakers Splash *Low Intensity, Shallow Water*

- This is a low intensive, low stress water exercise program designed to help those with arthritis or other physical ailments.
