

Rewarding our Heroes

To show our appreciation to those who are on the frontlines of our community each day, The Coomes Center is happy to offer the First Responder Pass Program (FRPP).

The FRPP will provide a 7 day visit pass (free of charge) to our facility to anyone who is actively serving our community. This pass can be used by the individual, or shared with their immediate family.

In addition to these trial visits, First Responders also receive a corporate rate so that they can utilize the facility year round.

Corporate	Annual	Monthly*
Adult (18+)	\$140	\$12.25
Couple	\$230	\$19.75

*Monthly memberships require a 12 month contract
